## INTRODUCTION

We are proud to present the SAFEDRIVE company profile. Over the last 18 years, our firm has built up a reputation as a successful professionally managed vehicle rental firm, responding to the demands of the competitive business environment of the capital. SAFEDRIVE offers high standards of reliability and customer care. We have a variety of new, elegant and reliable commuter, 4x4 (Four Wheel Drive) and saloon vehicles in pristine condition. All are equipped with air-conditioning and in-car entertainment to suit different needs. These vehicles are provided with professional, polite, multilingual and entirely reliable drivers, well-versed with routes and destinations. Visitors can be picked up from any airport, driven in comfort and safety during their trip and dropped back to their destinations.

## MISSION

To be the industry benchmark and the number one customer choice for all transportation services locally, regionally and nation-wide.

18 years  
of excellence

## HEALTH SAFETY AND INSURANCE

All our vehicles are in top road worthiness and our drivers in optimum health. Our drivers receive regular medical checks.

At SAFEDRIVE we offer specialized services for corporate, international and non-governmental organizations, which includes, comprehensively insured vehicles and contingent plans in the unlikely event of a breakdown.

## QUALITY CONTROL

We at SAFEDRIVE conduct surprise on-the-spot inspections of the drivers and vehicles apart from the routine periodic checks, as we believe that this program is a step forward in our aim to offer services of the highest quality and safety to meet a highly professional approach to business.

## SAFEDRIVE Comprehensive Travel Solutions

FlairTravelManagement (FlairPvt.Ltd) has over 18 years of experience in the Aviation & Travel Industry. It is one of the most promising independent business travel companies that offers powerful web-based technology streamlining the whole travel management process.

SAFEDRIVE focuses all of its efforts on providing expert travel solutions to our partners. All of our resources are geared to ensure that your company's buying power is fully utilized so that wherever and whenever your executives and employees need to travel they get the best service for the best price. As you would expect the range of travel services on offer through us is comprehensive.

As a partner to Flair, SAFEDRIVE has a highly professional set of service standards which ensures the optimum satisfaction of the respective needs of national and overseas clients, providing comprehensive travel solutions.

## VEHICLE IMPORTS

A subsidiary of SAFEDRIVE Services offers vehicle imports direct from Japan. This is to give assistance and support to the corporate, international and non-governmental organizations. Our office in Japan is registered to bid for different makes of vehicles in auctions within Japan. These vehicles can be viewed through our registered auction sites on the internet. Clients can view the actual condition of the vehicle detailed in the auction sheet and assess the precise duty charges applied by the Government of Pakistan, before the import order of the vehicle.
